

# STAY WITH PEACE OF MIND

8 HEALTH AND SAFETY INITIATIVES WE HAVE TAKEN IN PREPARATION FOR YOUR STAY

## Best Hygiene Practices

Best hygiene practices, and protocol in respect of social distancing and cleaning will be adhered to by our well trained staff.

## Meal Preparation

All meals are individually plated or room service, prepared under the strictest of hygiene standards.

## Dining

Generously (at least 1.5 metres apart) spaced tables at all meals. Meals will be served outside, weather permitting. Trained staff will disinfect all tables between meals.

## Limited Social Contact

We are an exclusive lodge with ample space for guests to relax in and keep a social distance.

## Activities

When traveling to our nearby activity sites we will limit the number of guests to 4 passengers per vehicle.

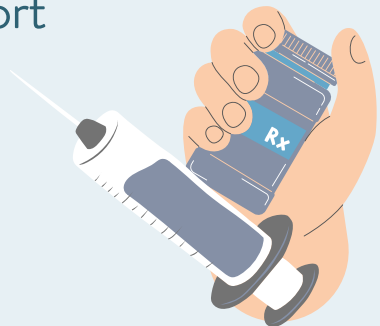

## Clean Hands

Hand sanitiser will be readily available for both guests and staff throughout the lodge.

## Staff Health Support

Supporting the health of our staff by subsidised flu shots for all staff.

## Doctors On Call

Clanwilliam doctors are well prepared with medical advice on hand. A clear procedure is in place to deal with a suspected case.
